RENOVATED HOME WITH 2 SHEDS

This is a neat and tidy 2 bedroom home with an enclosed verandah that has recently been renovated. The new front entrance is to the front of the home now and as you walk through you enter the kitchen with its new modern self closing 2 pack kitchen fit out. From the kitchen into the living area and right next door is the second bedroom, but at the end of the corridor is the master bedroom that has been extended and fully renovated to include built in robes and draws. Back through the kitchen is the large updated laundry and off from the laundry is the new modern bathroom. At the other end of the bathroom is the new enclosed portion of the verandah that has been converted into a work shop come office area. But the best of all is the 3 sides of the verandah where you can sit and enjoy the cool breeze and party to the wee hours. Further back from the home is the 2 large sheds, one is tall enough to put the 4 wheel drive caravan and the other has some mezzanine floors for added storage. This property has a small feed lot and fenced area to house the families pet horse. The property has town water but also lots of tanks with heaps of tank water even in this drought. The property has been landscaped and fully fenced for your security and is a delight to show to you. Call now 0428770555 to arrange an inspection.
